

Dear applicants!

We welcome your choice of our educational institution!

Educational Institution

"Vitebsk State College of Culture and Arts" provides training for specialists with secondary specialized education in the field of culture and arts

<http://vgkki.by/abiturientu.html>

**DOCUMENTS PROVIDED BY THE APPLICANT
TO THE ADMISSIONS COMMITTEE:**

1. An application addressed to the director of the college in the prescribed form (the form is issued at the admissions committee);
2. Original document of education and its supplement (appendix);
3. Medical certificate on the state of health according to the form established by the Ministry of Health (for applicants applying for the specialty "Choreographic Art", a doctor's conclusion "Fit for choreography classes" is mandatory);
4. 6 photographs measuring 3x4 cm;
5. Documents confirming the applicant's right to benefits upon admission to studies.

In addition to the above documents, if necessary, the following are additionally provided to the admissions committee of the college:

- A contract in three copies between the applicant and the contracting authority for targeted training (for applicants participating in the competition for targeted places).

**Identification document (passport)
is presented by the applicant in person.**

ATTENTION!!!

When checking into the dormitory for the period of summer preparatory courses, the applicant must provide a medical certificate on the state of health (pediculosis, scabies, fluorography) and a payment receipt.
